Indiana Farm Bureau's state convention is now the Indiana Ag Gathering!
We hope the details below will answer your questions about what to expect as we gather together in French Lick this December.

? **Indiana Ag Gathering? What's That?**

We heard you! The changes to the event's name, programming and schedule this year are reflective of member feedback on how to make our annual meeting the most valuable and enjoyable experience possible.

At Indiana Ag Gathering, you'll see we've streamlined our schedule from three days to two without sacrificing your favorites: practical breakouts, inspiring keynotes, well-deserved awards, President Kron's annual address and plenty of opportunities to connect with fellow ag enthusiasts from across the state.
