# Accidental Death Benefit Coverage

***Indiana Farm Bureau Members receive \$2,000 worth of coverage, at no additional cost.***

This simply means that a \$2,000 death benefit will be paid in a lump sum to the surviving spouse or, in situations where there is no surviving spouse, to the estate of the individual in whose name the primary membership is listed. The member's spouse and/or family members are not covered by this benefit. Corporate members are also not covered. This benefit will be paid if death is a result of bodily injury due to an accident and occurs within 90 days of the accident. The deceased member must have a current paid primary membership with Indiana Farm Bureau, Inc. Some limitations, exclusions, and qualifications apply and are available from your Indiana Farm Bureau Insurance agent.
